

STARS NMDCAT PREPRATION 2021

Introduction

NMDCAT stands for National Medical & Dental College Admission Test, which is mandatory to take by those who want to get admission in **MBBS or BDS** in any medical or dental college or university of all Provinces. This test is compulsory to secure admission in both the private and public sector institutes. The primary purpose of the test is to check the ability of candidates who wish to go into the field of bachelor of medicine and surgery (**MBBS**) or just want to opt for bachelor of dental surgery (BDS). Every year, **PMC** conducts this test all over the Pakistan. Without taking the test, aspirants' admission applications will be nullified.
